MATERIAL DISCLAIMER

The digital images are computer renderings. There can be a slight difference between your finished product and the images here especially in the wood detail since grain varies. We make every effort to match the look of the digital design, while understanding that reclaimed wood reacts differently to various stains. The artistic rusting of the metal can also have variations giving our trophies true character.

Wood and Stain

Your LeaderBoard cannot guarantee wood and stain colors due to the variances in the wood's natural color, grain, etc. and there is no way to assure the exact color of wood. Sample colors or grain may also vary as the wood comes from various structures, which factors involve weathering, sun or shade, etc.

The photos on our PDF materials and web site, are provided to assist you in making a choice of wood and stain, and the various grades that a given wood is offered.
